

Keeping creativity flowing during lockdown and beyond

Project: Bumblebee
Crafted by: Joan

Skills learnt: Sewing / gluing / shaping / painting

What you'll need

- 1 black sock
- 2 black felt strips
- 3 yellow felt strips/pipe cleaners
- 4 plastic milk bottle (for wings)
- 5 glue/white paint/black marker pen/pliers/needle and thread
- 6 garden wire for body/head/legs/antenna
- 7 small wiggly eyes

How to: Bumblebee

About the artist:

Joan is a regular attendee at the Glasshouses Open Art Studio.

.....

Stuff sock to form the body and head. Run garden wire through sock to form body shape, folding it back upon itself.

Add yellow felt strips.

Cover with black felt - can be glued or sown on.

Gather in head with plastic inside to make the face firmer; Slip the wings in under the fold.

Sow the wings in place.

Stick on wiggly eyes under the antenna.
