

Keeping creativity flowing during lockdown and beyond

Project: Ladybird

Crafted by: Joan

What you'll need

- 1 black sock
- 2 black felt
- 3 red felt
- 4 white felt
- 5 plastic for face and body
- 6 glue/white paint/black marker pen/pliers
- 7 garden wire for body/head/legs/antenna
- 8 small googly eyes

How to: Ladybird

.....

Stuff sock to form the body and head. Run garden wire through sock to form body shape.

Glue red felt to plastic and sew onto sock.

Gather in head with plastic inside to make the face firmer.

Stick on wiggle eyes under the antenna.

Glue black felt on legs and cut forked ends and bend into shape.

Glue white felt to the antenna.

Put spots onto back with black marker.

Glue 2 white shapes on back of head above them.

Glue 2 white shapes each side of head and white shape for mouth.

Put black lines on white antenna and paint white marks on legs.
